#### JUNIOR CYMK TROPHY

donated by

Walter and Natalia Baziuk, Edmonton

Junior CYMK branches are under the auspices of the local Branch of the Ukrainian Women's Association of Canada.

The main purpose of Junior CYMK is to help encourage the youth between the ages of 12 and 16:

- to speak in and perfect their use of the Ukrainian language,
- to inform them about the history and culture of Ukraine,
- to provide opportunities for participation in the cultural activities within the Ukrainian Orthodox parishes, and
- thus, to enable them to become good Canadian citizens.

The Junior CYMK Baziuk Trophy came into being in 1967 - Canada's Centennial year. The trophy, through the Ukrainian Women's Association is awarded to the most active Junior CYMK Branch at the National Zizd.
