Scoring:

The Perepeliuk Trophy Competition will be judged by the National CYMK-UOY Executive on the basis of the Perepeliuk Trophy rules as revised in November 2001.

The competition deadline is July 1st.

All activities conducted after the Competition deadline will be credited towards the next competition. A scoring key will be used by the National CYMK-UOY Executive to score the submissions and to choose the winner of the competition. The key will not be made available to the Locals. There is no ceiling on the amount of points obtainable. The Perepeliuk Trophy cannot be awarded to more than one Local at any National Convention; that is, there can only be one competition winner. The decision of the National CYMK-UOY Executive will be final.
